

Parents Info

Welcome to Wasa SK!

- One of Sweden's oldest Chess clubs, established in 1917
- Has won the national championship in Sweden eleven times
- Is open to everyone and consists of both a junior and senior section
- **How do I get a t-shirt?** Talk to Charlotte Kämpe!

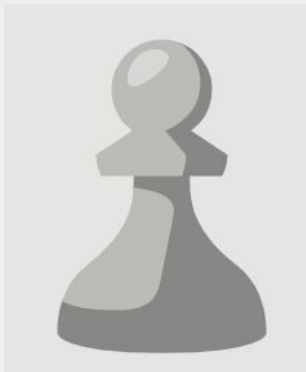

Practice Sessions

- We want our players to **have fun and develop** during our sessions
- Practices are run by contracted chess coaches
- Five practice groups based on skill level and maturity/age
 - For highest quality our aim is 14-17 players/group
 - Our coaches evaluate and decide on the appropriate group/level
 - In the base case scenario players **only** change groups at end/beginning of term
- Two weekly training sessions (one for beginners)
- Term fee 1200 kr/1600 kr (20% discount for sibling #2)
 - Will be invoiced by email mid February

Performance

OUR AMBITION

To be the preferred junior chess club in
Stockholm for both players and parents

Our Success Pillars

- Good atmosphere and camaraderie
- Committed parents
- Respectful attitude and order
- A desire to develop

Be a Great Chess Parent

- Remember that the social aspect of playing chess is as important as performance and results
- Focus on *“What did you learn today?”* rather than *“Did you win the game?”*
- Remind your child that every game lost is more knowledge gained and a step closer to winning

Organization

- A subsection of the larger Wasa SK organization
- Parent driven on voluntary basis
- Work organized by *The Junior Committee* consisting of six members
 - Meets on a monthly basis
 - Members rotate on a 1-2 year basis
 - 2-3 new members are needed for the fall term (roles: budget, competitions, event)

Other ways for parents to contribute

- Acting Team Leader at tournaments
- Helping out during Wasa JGP tournament (in the spring)
 - Score takers
 - Café staff
 - Entrance hosts
- Supporting coaches at/around practice sessions
- Special arrangements at end of season practice sessions

Your child must be registered

1. **For new players:** Make sure you have signed and handed in a complete player-form to the coaches
 - a. Your child will then be a registered chess player in Sweden under Wasa SK and **eligible to participate in tournaments**
 - b. You and your child will be registered on SvenskaLag.se - our admin platform - and receive **important information and invitations to practices and team tournaments**
 - c. **There must be a valid parent email for communication and invoices to reach you** - check your spam filter and white-flag these emails!

2. **For existing players:** Make sure that you receive all communication from SvenskaLag.se and are able to access the Team website

Tournaments

- An important part of developing as a chess player
- A social event with teammates and friends in other chess clubs
- Available both in the Stockholm area and around Sweden
 - Junior Grand Prix tournaments (JGP)
 - Swedish National School Championship (Autumn 2024)
 - Team District Competitions
- Our recommendation is for all players above “beginners” level to play at least one tournament per semester
- Important: For individual tournaments you must register and pay for your child
